Review your appointment

Student: Maya Student (from signed-in account)

Tutor: Alex Chen

Subject: Java Fundamentals

Time: Tomorrow, 10:00-11:00 AM (campus local time)

Slot: 1 (selection is read-only)

[\[Confirm booking \]](#)

[\[Back to slots \]](#)

Conflict / validation message area

This slot was just booked. Please choose another slot.

Sign in before confirming; prevent duplicate form submission.

The chosen service comes from the slot. Success follows a committed booking; a conflict returns to slot selection. This is a design, not an implemented form.

Scope: wireframe only. Milestone 1 exposes JSON at GET / and GET /slots. Authentication, filters, forms and confirmation are planned for later milestones.
